DETAILED ACTION

Status

1. This action is in response to the amendment filed on October 11, 2011. Claims 30-36 and 45-59, are currently pending. Claims 30, 55, 58, and 59 were amended. No claims have been added. No claims have been cancelled.

Allowable Subject Matter

2. Claims 30-36 and 45-59 are allowed.
3. The following is an examiner's statement of reasons for allowance: The closest prior art to the claimed invention is Dellinger et al. (US 7089201 B1), Arena et al (US 20020184129 A1), and Consumer Action (1996).
4. In regards to the closest prior art to the current application. Dellinger teaches method and system for the efficient administration of variable annuity products, including provisions for guarantees related to retirement income derived from and death benefits associated with variable annuities, in both the accumulation and distribution (or payout) phases. Arena teaches providing stabilized annuity payments and control of investments in a variable annuity. Consumer Action teaches how finance charges are calculated and ways to reduce the cost of credit. The combination of Dellinger, Arena, and Consumer Action fail to teach or suggest aggregating the difference value with a balance stored in an adjustment account, the adjustment account associated with the

Art Unit: 3684

user and the guaranteed minimum periodic retirement income payment amount, the balance in the adjustment account dictating payment amount to the user in excess of the guaranteed minimum periodic retirement income payment amount as recited in claims 30, 55, 58, and 59.

5. The dependent claims 31-36 and 45-54, 56, 57 are also allowable.
6. The claimed invention is non-obvious because based on the references individually or in combination, one of ordinary skill in the art would not have found it obvious to perform the claimed invention.
7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
